

Video shows immigration agents refused to ID themselves during Mahmoud Khalil arrest

New York, March 18 (RHC)-- Video has emerged showing the arrest of Mahmoud Khalil last Saturday by plainclothes officers who did not identify themselves. The video was filmed by his 8-month-pregnant wife Noor Abdalla.

Noor Abdalla: “Can you — can you please specify what agency is taking him, please? Excuse me. They’re — nobody — they’re not talking to me. I don’t know. Excuse me, the lawyer would like to speak to somebody. Oh my god, they’re literally running away from me.”

On Friday, Khalil’s legal team filed a motion seeking his release on bail.
