

International Conference on Criminology Begins in Havana

Havana, November 26 (RHC)-- The 12th International Conference on Criminology began Wednesday in Havana with the participation of prosecutors, attorneys and other legal experts from more than 30 nations.

Included among the main topics for discussion are the treatment and protection offered to children and adolescents with behavioral disorders or who are victims of crimes and measures to prevent drug trafficking and trafficking in persons.

Legal advisers, economists and auditors of mixed enterprises accredited here in Cuba will discuss also ways and methods to confront economic crimes, fraud, corruption and money laundering.
