

FM of Guinea Thanks Cuba for Cooperation in Struggle against Ebola

Conakry, Apr 2, (RHC), -- Louceny Fall, Minister of State for Foreign Affairs and of Guineans Abroad of the Republic of Guinea, recently expressed his government's gratitude to the Cuban people for its support in the fight against Ebola.

"We know it's a great sacrifice to come here to face this epidemic. The peoples of the three countries hit by the deadly virus will always remember that attitude. We're very satisfied with Cuba's cooperation."

In the presence of journalists, Fall highlighted that Cuba's response is not a surprise, given the historic solidarity and friendship existing between the two countries.
