

Iberia Airlines Confirms Reopening of Madrid-Havana Flights in June

Madrid, April 14, (RHC), – Spain’s Iberia airlines has ratified the reopening of its Madrid-Havana route on June 1 describing it as the star on its long operational range.

A communiqué by the airline company reads that flights to Montevideo, Uruguay and to Santo Domingo, Dominican Republic are also part of its agenda for the season. Flight to Havana will resume after a two-year recess.
