

Activities in Havana to Mark Death Anniversary of José Martí

Havana, May 13 (RHC) — On the occasion of the 120th anniversary of the death in combat of Cuban National Hero José Martí, the memorial in his honor has scheduled a series of cultural and political activities beginning tomorrow, Thursday, running through the 19th, when Martí's death will be commemorated across the country.

According to organizers, the program will include panel discussions, exhibitions and concerts in different venues throughout the Cuban capital.
