

Angolan Oil Company Sonangol Announces Oil Exploration in Cuba

Havana, May 23 (RHC) — The Angolan Oil Company (Sonangol) will start the exploration process of crude oil in Cuba. Angola's Ambassador to Cuba, José César Augusto Kiluanje, said the prospects of oil exploration are good.

The Angolan diplomat said that Sonangol will begin drilling operations in Cuban waters in the Gulf of Mexico. The diplomat also called on Angolan businesses involved in the other sectors to invest in Cuba.
