

U.S. Drone Kills Alleged Suspect in Benghazi Attack

Washington, June 23 (RHC)-- The Pentagon has announced a U.S. airstrike in northern Iraq killed an operative with the self-proclaimed Islamic State.

Ali Awni al-Harzi was labeled a person of interest in the 2012 attack on the U.S. diplomatic mission in Benghazi, Libya, and was accused of recruiting North African fighters. He was apparently killed by a drone near Mosul last week.
