

Caribbean Communication Experts Meet in Santiago de Cuba

Santiago, July 6, (RHC), – Artists, researchers and communication experts from around the Caribbean are meeting during three days at the Caribbean Festival, underway in Santiago de Cuba city.

The forum includes lectures on movies, music and television, debates, workshops and presentations and other activities to mark the 500 birthday of the eastern Cuban city.

The specialists come from Mexico, Puerto Rico, the Dominican Republic, Cuba and the Bahamas, which is the guest country to the annual Caribbean festival or Fire Fest.
