

Cuba to Share Its Achievements in Sexual Education and Health

Havana, September 9 (RHC)-- Cuba will host the 7th National Congress on Sexual Orientation, Education and Health, set for September 14th through the 18th, aimed at designing policies and services to strengthen sexual education and health.

Mariela Castro, Director of the National Center for Sexual Education and President of the Organizing Committee, said that the event will have the participation of renowned experts and scholars from around the world, who will form strategic alliances among countries and regions, with the active participation of governments and civil society.
