

FBI Recovers Deleted E-mails from Hillary Clinton's Private Account

Washington, October 1 (RHC)-- In the United States, Democratic presidential hopeful Hillary Clinton is facing a new round of scrutiny over her use of a personal e-mail server while she was secretary of state.

FBI investigators say they have recovered a slew of e-mails that had been deleted from her account. Anonymous officials told Bloomberg News the recovered e-mails are both personal and work-related.

In recent days, Hillary Clinton has apologized for using the private server.
