

Cuba Presents New Foreign Investment Projects at FIHAV 2015

Havana, November 3 (RHC)-- Cuba has presented new foreign investment projects in several economic areas to representatives from more than 900 companies from 70 countries, who are attending Havana's International Trade Fair (FIHAV 2015).

Among the proposals, presented by Cuban Minister for Foreign Trade and Investment Rodrigo Malmierca on Tuesday, are those related to the iron and steel and food industries.

Cuba continues presenting the export portfolio of entities in the fields of food and medicines production, including LABIOFAM.

Other activities included the official inauguration of the pavilions of Canada, Mexico, Italy and the Netherlands.
