

President of Equatorial Guinea Praises Cuba's Cooperation with His Country

Havana, November 13 (RHC)-- The President of Equatorial Guinea Obiang Nguema has thanked the Cuban government and people for their cooperation in numerous fields.

In statements to reporters in the framework of the 3rd Extraordinary Congress of the Democratic Party of Equatorial Guinea, President Nguema said that Cuban collaborators in the field of education are contributing their efforts to the advancement of his country's goals at the primary and secondary levels, as well as to the training of thousands of young professionals in the African country in diverse areas.
