

Bolivia Exposes Simultaneous Right-Wing Attacks with Imperial Support

La Paz, Feb 25 (RHC) Bolivian Presidential Minister, Juan Ramón Quintana, has denounced the simultaneous attacks by right-wing politicians with support from foreign governments and unscrupulous media outlets.

In an interview for the TV program Tres en Línea, Minister Quintana said that the opposition has been using increasingly sophisticated tactics that include the so-called soft coup, and others the US has used to destabilize Middle East countries.
