

President Raúl Castro Receives PAHO Director Carissa Etienne

Havana, March 5 (RHC)-- President Raúl Castro met Friday in Havana with Director General of the Pan-American Health Organization (PAHO) Carissa Etienne, who is on a working visit to Cuba to preside over the subregional meeting of PAHO representatives in Central America, Haiti, Mexico, Dominican Republic and Cuba.

During the cordial exchange, the Cuban president and the top PAHO official spoke about the current epidemiological situation in the Americas, Cuba's national plan to confront and stop the spread of Zika virus, and the importance of Cuba's international health cooperation worldwide.
