

Havana Hosts Food and Agribusiness Fair 'FIAGROP 2016'

Havana, March 14 (RHC)-- Cuba's International Food and Agribusiness Fair 'Fiagrop 2016,' opened its doors Monday with the participation of delegates from 13 countries, among them Panama, Mexico, Costa Rica and the United States.

According to the organizing committee, the event's program also includes specialized conferences and workshops.

Ignacio Caraballo, a member of the organizing committee said that more than 70 Cuban and foreign exhibitors will display their agribusiness products and services at the fair.
