

Federal President Dilma Rousseff Assured She Will Not Resign

Brasilia, Mar 14 (RHC) Brazilian President Dilma Rousseff denied that she might resign and said neither the opposition nor any other sector have the right to compel her to step down.

President Rousseff said her detractors lack true grounds to request her resignation, and lashed out at the wave of rumors seeking to generating a political crisis.

Rousseff also decried the preventive prison warrant the attorneys in Sao Paulo have requested for ex President Luiz Innacio Lula da Silva, which she defines as injustice without boundaries.
