

President Barack Obama Begins Visit to Argentina

Buenos Aires, Mar 23 (RHC)--- The President of the United States, Barack Obama, landed in Ezeiza Airport, in Argentina, early on Wednesday aboard the Air Force One, coming from a historic visit to Cuba.

In contrast with the warm welcome and hospitality in Cuba, the White House President landed under shouts of “Obama Out” and “Obama you are not welcome”, since the general feeling here is that this visit will support Mauricio Macri's unpopular neoliberal policy

According to the agenda, after meeting with his counterpart, Obama and Macri will reveal in press conference the content of the bilateral agreements they will sign on security and human rights.

President Obama will end his visit to Argentina on Thursday.
