

Cuban Hero Ramón Labañino Meets with Social and Union Leaders in Argentina

Buenos Aires, April 8 (RHC)-- On Friday, Hero of the Republic of Cuba Ramón Labañino met separately with leaders of social organizations and trade unions, and visited the headquarters of the Communist Party of Argentina.

Labañino, one of the Five Cubans who spent long, unfair prison terms in U.S. jails for fighting terrorism, met Thursday evening with Argentinian intellectuals and artists, with whom he discussed the right-wing offensive in Latin America, the ongoing destabilization campaigns in regional countries, and the necessary unity among all the progressive forces in the current circumstances.
