

Compilation of Fidel Castro's Speeches and Reflections on U.S.-Cuba Relations Sees the Light

Havana, August 4 (RHC)-- A new book, comprising 90 speeches and reflections by Revolution leader Fidel Castro was presented Wednesday in Havana.

Entitled: '**Fidel Castro y los Estados Unidos**' (**Fidel Castro and the United States**), the 225-page text features Fidel's views on several issues that are amply debated in today's Cuba.

In presenting the book at the Havana-headquarters of the Hermanos Saíz Cultural Association, author Abel González said it will help readers better understand current developments in Cuba, particularly the ongoing process towards the normalization of relations with the United States.
