

Hillary Clinton Raises \$50 Million at Elite Fundraisers in Two Weeks

New York, September 7 (RHC)-- A New York Times analysis of Hillary Clinton's fundraising schedule shows she raised \$50 million at elite gatherings over the last two weeks of August --raising an average of \$150,000 an hour.

This new fundraising record comes as Hillary Clinton held almost no news conferences in months. She has, however, attended a series of exclusive fundraising events in wealthy vacation enclaves including the Hamptons, Martha's Vineyard and Beverly Hills.
