NICARAGUA

Managua, July 8 (RHC), -- The Cuban ambassador to Nicaragua, Juan Carlos Hernandez, gave the greetings of his people to President Daniel Ortega on the 38th anniversary of the Tactical Reintegration to Masaya, an event that resulted in the triumph of the Sandinista Revolution in July 1979.

The Nicaraguan leader thanked the Caribbean nation for its support and held a brief exchange with the members of the diplomatic delegation.

The associations of Friends of Cuba, and Cubans living in Nicaragua, decked out a platform with their country's flags, and banners regarding ending the US economic blockade of Cuba, as well as reiterating the demand for the return of the territory occupied by the illegal Guantanamo naval base.
