

# *Report on the impact caused by the U.S. blockade to be released momentarily*

---

Havana, September 20 (RHC)-- Cuban Foreign Minister Bruno Rodriguez will present the report on the impact caused by the U.S. blockade policy over the past year. to national and foreign media at a press conference announced for 10:30 am local time, which will be carried live by Cubaminrex Facebook page.

Every year, the report precedes the UN General Assembly vote on the Cuba-sponsored resolution on the "Necessity of Ending the Economic, commercial, and financial blockade imposed by the United States against Cuba", which will be happening for 28<sup>th</sup> consecutive time.

The international community has overwhelmingly supported the island's resolution on its demand to see a lifting of the longest blockade ever imposed on a nation in contemporary history.
