

Cuban Foreign Minister calls U.S. Secretary of State a liar

Havana, December 3 (RHC)—Cuban Foreign Minister Bruno Rodríguez Parrilla says US Secretary of State Mike Pompeo is a liar.

In a Tweet Rodriguez said that Pompeo lies shamelessly when he blames Cuba for the just and legitimate protest of Latin American peoples against the savage neoliberal policies and brutal repression.

“Stop application of Monroe Doctrine, domination and imperialist intervention in Latin America,” he wrote.

For weeks now, the White House has been making statements blaming Cuba for promoting the wave of demonstrations that have taken place in several Latin American nations, in protest of the harsh economic measures imposed by the right-wing governments of the continent.
