

NBA star Jaylen Brown visits Lucecita Cultural Project

Havana, February 17 (RHC) - NBA star, Jaylen Brown, visited the Lucecita Cultural Project, sponsored by Arnaldo y su Talisman, the popular Cuban musician shared on his Facebook page.

'Immense joy to receive one of the stars of the NBA, Jaylen Brown, at the headquarters of our Lucecita Cultural Project,' Arnaldo wrote. As he explained, the distinguished Boston Celtics player received with surprise and amazement a sample of the LUCECITA art workshops, and was kind and simple with the children and the community.'

From Cuba, Brown said: 'It's incredible ... Cuba, culture, love, hope.' At the end, he enjoyed an authentic traditional Cuban dinner at the restaurant of the Talisman studios headquarters and promised to return.
