

Right-wing film-maker slated to head U.S. government media agency

Washington, May 24 (RHC)-- The U.S. Senate Foreign Relations Committee has advanced the nomination of right-wing filmmaker Michael Pack to head the U.S. Agency for Global Media, which operates various state-run media outlets, including Voice of America.

Michael Pack has worked closely with Steve Bannon, the former Trump adviser who once headed Breitbart News. Bannon is known for his white supremacist and far-right positions.
