New York, June 24 (RHC)-- Federal prosecutors in New York said a U.S. soldier confessed to sharing information with a satanic neo-Nazi group as part of a plot to kill members of his unit.

Private Ethan Melzer was charged with collaborating with the Order of the Nine Angles, or O9A, a far-right group linked to white nationalist neo-Nazi group Atomwaffen Division, as well as the Islamic State.

Acting U.S. Attorney Audrey Strauss called him "the enemy within."
