Dallas, January 28 (RHC)-- In the United States, a federal judge in Texas has temporarily blocked the Joe Biden administration's 100-day moratorium on most deportations.

U.S. District Judge Drew Tipton ruled to suspend the policy for at least two weeks while a challenge by Republican Texas Attorney General Ken Paxton is reviewed. Paxton's suit argues the moratorium violates immigration law and a legal agreement between Texas and the Trump administration.

Judge Tipton was appointed by former U.S. president Donald Trump last year.
