“QAnon Shaman” Jacob Chansley

Washington, November 19 (RHC)-- A man whose horned fur hat, face paint and six-foot spear made him one of the more recognizable rioters at the deadly January 6th Capitol insurrection was sentenced to 41 months in prison.

Jacob Chansley -- also known as the “QAnon Shaman” -- had pleaded guilty to obstructing an official proceeding. Chansley was among a group that broke into the Senate chamber and left a threatening note to Vice President Mike Pence that he penned reading: “It’s Only A Matter of Time. Justice Is Coming!”
