Manila, December 21 (RHC)-- In the Philippines, the death toll from Super Typhoon Rai has reached 375. At least another 500 people were injured, and dozens are still missing, as search and rescue operations continue. Rai is the strongest typhoon to hit the Philippines this year.

Meanwhile, in Malaysia, major floods have killed at least eight people and displaced tens of thousands after a month's worth of rain fell in just two days. Many residents found themselves stranded after roads became inundated and were shut down.
