

Israel Bombs Gaza's Only Power Plant as Death Toll Nears 650

Gaza City, July 23 (RHC)-- Israel continues to bombard the Gaza Strip amid talks over a ceasefire. Israeli military attacks today include the bombing of Gaza's sole power plant and the heavy shelling of Khan Yunis, killing six people and leaving at least 20 wounded.

The Palestinian death toll is near 650, including more than 160 children. More than 4,000 have been wounded. According to Gaza officials, 475 houses have been totally destroyed and more than 2,600 homes have been partially damaged. Israel has also struck 46 schools, 56 mosques and seven hospitals.

Meanwhile, two more Israeli soldiers have been killed, bringing the Israeli military death toll inside Gaza to 29.
