

Book on Hugo Chávez Introduced in Cuba

Havana, Aug 14, (RHC), – The book on late Hugo Chávez *My first life* by Spanish-French journalist and writer Ignacio Ramonet was launched in Birán, Holguín, home land of Cuban Revolution leader Fidel Castro.

The activity is part of homage events started July 28, on Chávez birthday, up to August 13 on the 88th Cuban leader's birthday.

Before representatives of the people of Holguín, intellectuals from this province introduced the volume of over 700 pages narrating the formation of the Bolivarian leader from his birthday up to winning Venezuela's presidential elections in 1998.
