**Jair Bolsonaro says he will return to Brazil to lead the opposition**

New York, February 16 (RHC)-- Brazil's far-right former President Jair Bolsonaro told The Wall Street Journal he plans to return to Brazil in March to lead the opposition and face accusations he incited last month's attack by rabid supporters on government buildings in Brasília.

Bolsonaro, who never conceded defeat to President Luiz Inácio Lula da Silva in last October's election, has been in Florida since December.
