

Tourist Portal Selects Cuba's Mascotte Hotel Among Best of the Year

Remedios, September 3 (RHC) — Holiday Check Quality Selection, the largest European web site on the Internet with opinions on tourist facilities, assessed the Mascotte Hotel, located in Remedios in the province of Villa Clara, as one of the best of the world in 2014.

The Web site for travelers, with 25 million visits a month, acknowledged the quality of the Cuban hotel, located in this old town that will mark the 500th anniversary of its founding next year.

Omar Milian, director of Los Caneyes Enterprise, of the Cubanacan Group in Villa Clara, told ACN that the hotel has 10 rooms and a restaurant for 38 guests, and that it's located in the historic area of the town, a National Monument.

A National Monument built in 1853, the building began to offer accommodation 29 years later and at present Mascotte has excellent services with great respect for the environment, imbued with the spirit of the 19th century.
