The Toros will go out this Wednesday in front of their fans in search of a third win that will bring them closer to the semifinals, for which they will use left-hander Dariel Góngora, winner of the first playoff game between the two teams.

In search of the tie, the experienced pitcher from Santiago, Alberto Bisset, who has 10 wins in post-season games, will be used.

Matanzas will also host Artemisa today in a duel that is evenly matched at one win per side.

The series between Industriales and Sancti Spiritus, which will be resumed on Wednesday night, is equally even, after the official retirement of Alexander Malleta, one of the iconic players of the so-called Leones de la capital.
