Havana, November 5 (Prensa Latina) -- Cuban Foreign Minister Bruno Rodriguez today repudiated the bombing perpetrated by Israel on the Al-Maghazi refugee camp in the center of the Gaza Strip.

The head of Cuban diplomacy also condemned on the social network X the Israeli attacks against ambulances, where dozens of civilians were killed and wounded.

Rodriguez denounced that Israel continues to commit war crimes in the Gaza Strip and urged the UN Security Council to stop this genocide.

On Saturday, at least 51 Palestinian civilians were killed and others were wounded during an Israeli airstrike on a residence in the Al-Maghazi refugee camp in the central Gaza Strip.

According to the official Wafa news agency, most of the fatalities are women and minors.

According to official figures, more than 9,400 Palestinians have been killed in the Strip by Israeli aggression since the beginning of the new cycle of violence on October 7.
