

***THE PEOPLE CHARGE
GENOCIDE! SHUT DOWN DC
ON JULY 24th!***

Image not found or type unknown

When war criminal Benjamin Netanyahu comes to Washington D.C. on Wednesday, July 24th, we will **SHUT DOWN DC** and issue a notice of citizen's arrest!

The people of the world stand with Palestine and against the genocide committed by Israel with the full agreement of the United States. Join us in forming a Red Line against genocide around the Capitol building!

Benjamin Netanyahu, the Prime Minister of Israel should be arrested for war crimes and crimes against humanity. In fact, the International Criminal Court has requested arrest warrants for him and Yoav Gallant, the Minister of Defence of Israel. We won't let a war criminal walk the streets of DC.

If Biden and the whole administration refuse to draw a real red line against genocide, WE WILL! We are the red line!

NATIONAL MOBILIZATION! All out to DC!
