

Exhibit of Pictures “Fidel es Fidel” Opens in Austria

Vienna, October 13 (RHC) — The exhibit of pictures “Fidel es Fidel,” in homage to the Cuban Revolution leader, was inaugurated during the 9th Encounter of Cuban Residents in Europe, held in Austria this week.

The works by photographer Roberto Chile includes images taken in 2010. The exhibit was taken to Austria at the request of the association of residents in Germany, with the support of the Cuban embassy in that country.

The opening ceremony of the encounter, held last Friday, was attended by some one hundred delegates from 23 nations.
