August 24: Axis of Resistance operations against Israeli occupation

By Press TV Website Staff

Amid Israel's genocidal war on Gaza, which has killed more than 40,200 Palestinians so far, the majority of them children, resistance groups in Palestine and across the region continue their operations against the Tel Aviv regime and its Western backers.

The major operations carried out by the Palestinian and regional resistance groups on Saturday, August 24, are as follows:

Al-Qassam Brigades' operations on August 24:

Ambushed an Israeli military's engineering unit within a booby-trapped tunnel in a military area east of Deir al-Balah in central Gaza. The tunnel was subsequently detonated.

Targeted an Israeli military troop carrier with a Yassin 105 shell east of Deir al-Balah in central Gaza.

Detonated a pre-planned minefield, targeting a convoy of Israeli military vehicles and engineering equipment in the military sites area east of Deir al-Balah.

Targeted an Israeli Merkava-4 tank with a Yassin 105 shell east of Deir al-Balah in central Gaza.

Engaged in fierce clashes with Israeli forces that had infiltrated the Al-Ja'frawi area east of Deir al-Balah.

Al-Aqsa Martyrs Brigades' operations on August 24:

Detonated a previously booby-trapped building on an Israeli force in the Al-Ja'farawi area east of Deir al-Balah. Upon arrival of rescue forces, they were also targeted with 107mm rockets and 60mm mortar shells.

In a joint operation with the Al-Nasser Salah Al-Din Brigades, targeted a gathering of Israeli occupation forces east of Deir al-Balah with 60mm mortar shells.

Targeted Israeli military positions and vehicles on the "Netzarim" front with two 107mm rockets and heavy mortar shells.

Martyr Abu Ali Mustafa Brigades' operations on August 24:

In a joint operation with the Ansar Brigades, targeted Israeli military supply lines and command headquarters on the "Netzarim" axis, north of the Central Governorate, with heavy-caliber mortar shells.

In a second joint operation with the Ansar Brigades, again targeted Israeli military supply lines and command centers on the "Netzarim" axis with heavy mortar shells.

Al-Nasser Salah Al-Din Brigades' operations on August 24:

In a joint operation with the Ansar Brigades, targeted an Israeli command and control site on the "Netzarim" axis with heavy mortar shells.

In a joint operation with the Al-Aqsa Martyrs Brigades, targeted gatherings of Israeli soldiers and their military vehicles east of Deir al-Balah with 60mm mortar shells.

Hezbollah's operations on August 24:

Targeted positions of Israeli soldiers at the Hermon site with drones.

Targeted the Al-Rahib site with artillery shells.

Targeted Israeli military's espionage equipment at the Al-Rahib site with drones.

Targeted deployments of Israeli military around the "Misgav Am" site with appropriate weapons.

Launched an aerial attack with a drone on the newly established headquarters of the Western Brigade, south of the "Yaara" settlement, targeting regime officers and soldiers.

Targeted deployments of Israeli soldiers around the Hadab Yaroun site with artillery shells.

Targeted the Ramtha site in the occupied Lebanese Kfar Shuba hills with rockets.

Targeted the Zebdine site in the occupied Lebanese Shebaa Farms with rockets.

Targeted deployments of Israeli soldiers at the Bayad Blida site with appropriate weapons.
