

Israeli Forces Kill Palestinian-American Teen in West Bank Shooting

Ramallah, October 28 (RHC)-- A Palestinian American has been killed in the latest shooting of a young teenager by Israeli forces in the occupied West Bank. The victim, 14-year old Orwah Hammad, was shot in the head in the village of Silwad.

Hundreds of people marched over the weekend after his funeral. The killing comes days after a Palestinian man slammed his car into a group of Israelis in Jerusalem, killing an infant and wounding eight others. That attack followed the running over and killing of a five-year-old Palestinian girl by an Israeli settler in the West Bank. The Israeli military ruled the death an 'accident.'
