

*U.S. Senator Bernie Sanders  
introduces resolution to oppose  
U.S. arms sales to Israel*

Washington, February 26 (RHC)-- On Capital Hill, U.S. Senator Bernie Sanders said he will move to block the sale of \$8.5 billion in U.S. weapons to Israel.

Sanders, who also fought against U.S. arms supply to Israel under Joe Biden, said: "It would be unconscionable to provide more of the bombs and weapons Israel has used to kill so many civilians and make life unlivable in Gaza."
