

World's top alcohol and drug experts share strategies in Australia

SYDNEY, March 18 (Xinhua) -- Some of the world's top alcohol and drug experts gathered at a conference in Brisbane, Australia, on Wednesday to share ideas on how to address common problems associated with substance abuse.

The 7th Australasian Drug and Alcohol Strategy Conference (ADASC) 2015 provides a platform to share experiences between policing jurisdictions, health service providers, policy analysts, academics and industry representatives.
