

Italy, France approved as AIIB founding members

BEIJING, April 2 (Xinhua) -- Italy and France have been approved as prospective founding members of the Asian Infrastructure Investment Bank (AIIB), China's Ministry of Finance announced on Thursday.

The decision was made by all existing members after discussion, bringing the total number of founding members to 33, the statement said. The final number of founding members will be confirmed on April 15, after the opinions of all founding members are considered.
