

Eusebio Leal Says Transmit History is Essential

Havana, June 30 (RHC) -- Havana City Historian Eusebio Leal Spengler expressed on in Havana the importance of preserving history and transmitting this treasure to the younger generations.

During the inauguration of the 1st International Colloquium of Historians, Leal stressed that not all professionals of the science have the vocation to be educators, however, he pointed out that patience, pleasantry, reflectiveness and sensibility are important qualities.

The Havana City Historian highlighted the need of preserving the heritage of each nation, the elements that identify a country that make them unique in the world.
