

Cuba Demands World Trade Organization End Blockade Imposed by U.S.

WORLD TRADE ORGANIZATION

Geneva, September 28 (RHC)-- Cuba has reiterated the necessity of ending the economic, commercial and financial blockade imposed on the country by the United States for more than half a century.

Speaking in Geneva before the Dispute Settlement Body of the World Trade Organization, Monica Rodriguez, an official of the Permanent Mission of Cuba to International Organizations with headquarters in the Swiss city, underlined the negative impact on Cuba of the arbitrary measure.

The diplomat referred to Section 211 of the Appropriations Act of 1998, in which the Cuba is refused a specific license to renew the registration of the Havana Club rum brand.
