

Spain's Communist Party Awards Cuban Heroes with Dolores Ibárruri Medal

Madrid, January 19 (RHC)-- The Communist Party of Spain has awarded its Dolores Ibárruri Medal to Heroes of the Republic of Cuba, Gerardo Hernández, Ramón Labañino, René González, Fernando González and Antonio Guerrero calling them symbols of the dignity and resistance against injustice that have always characterized the Cuban nation and people.

During a solemn ceremony held Monday in Madrid, José Luís Centella, General Secretary of the political organization presented Gerardo Hernández with the high distinction, which he received on behalf of himself and of his other three compatriots.

Fernando González was the first member of the Cuban Five group who was granted the distinction by the Spanish Communist Party, during a visit he paid to Spain in September 2014.
